

The Aquinnah Public Library and the Aquinnah Planning Board Plan Review Committee present a special Summer Speaker Series event:

# AQUINNAH PAST, PRESENT, AND FUTURE: 10,000 YEARS OF HISTORY AND 25 YEARS OF ARCHAEOLOGY

WITH HOLLY HERBSTER, SENIOR  
ARCHAEOLOGIST AT THE PUBLIC  
ARCHAEOLOGY LAB, INC.

Aquinnah is the ancestral and present-day home of the Wampanoag Tribe of Gay Head/Aquinnah. Over the past 25 years, a town-wide archaeological assessment project and more than 50 archaeological surveys completed for the Town, the Tribe, and private landowners have helped to document more than 100 ancient sites and nineteenth century Native homesteads across the town's five square mile area.

This presentation will highlight what we have learned from the archaeological record and through collaborative work with the Tribe and the Town.

**TUESDAY · AUGUST 14 · 5PM**  
**OLD TOWN HALL, AQUINNAH**

This event is free and all are welcome.
