CAROLE VANDAL

POETRY WORKSHOP

*Saturday May 11
2-3:30 at the
Aquinnah Library*

Participants read and discuss two or more poems from classic and contemporary poets, and then use those poems as models for in-class writing exercises. As the poet William Matthews once said, "Artists have their life drawing classes—why can't writers have a similar kind of thing." Led by Chilmark poet Donald Nitchie, whose poetry collection *Driving Lessons* was published by Pudding House in 2008. Donald will be joined by Aquinnah poet Carole Vandal
